

Dear friends of

Bilvavi Mishkan Evneh - *Building a Sanctuary in Your Heart*

The Rav's more than 50 sefarim in Hebrew & English have opened our minds & hearts to a deeper connection with Hashem.

In recent years, the Rav has focused on bringing to print multi-faceted teachings of the inner dimensions of Avodah, Machshava & Kabbala.

The first volume of this series (of more than 100 volumes) was published last year.

You can join this monumental series and receive a certificate of partnership signed by the Rav, Shlit"a.
